# MILESTONE PEER REVIEW

Name of individual being assessed: Charlie Shillito

	Poor				Excellent
Quality of wireframe/layout structure & design/sitemap					✓
File Organization & Management				✓	
Correct and clear HTML structure (e.g. Head, body.....)				✓	
Use of the latest HTML5 tags/elements and features.			✓		
Avoiding HTML obsolete/depreciated elements/features/attributes			✓		
Code clarity, including indentation, Commenting and Naming convention (HTML and CSS)			✓		
Use of the Latest CCS3 styling		✓			
Interaction, Visual effects and use of advanced CSS3 (e.g. MediaQuiries, Advanced Selectors, ...etc.)	✓				

What has the individual done well?

- Well-made sitemap/site wireframe.
- Good file structure and organisation of files (e.g HTML files/IMG files)
- Usage of HTML5 elements beginning to show

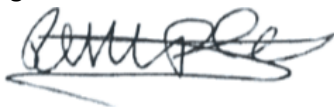

What should be improved before submission?

- Add comments to clarify code
- Improve/add JavaScript to page
- Improve overall site design by adding more page structure and styling
